

ANYTHING IS POSSIBLE!

Productivity Soars When You Learn To Think Differently.

An Unforgettable Presentation By Mark Zust, The Perceptionist

Let Mark work his “mind magic” to electrify your next meeting or special event.

Your attendees are the stars as they move objects with their minds and create predictions that really come true. You'll hear the audience laugh and gasp as their perception of what's possible in their lives is blown wide open!

Mark is truly one of a kind.

Neither a psychic nor a conventional magician, Mark is *The Perceptionist* and he will create a high energy experience that amazes and entertains as it educates.

Companies as diverse as ClearChannel Communications, The Cleveland Clinic and Studio Art Centers International have enjoyed Mark's remarkable demonstrations and inspiring messages of how we can reach our potential and create a more powerful future.

Mark's background as an entrepreneur, college professor, author and performer ensures that his presentations are thought-provoking, 100% clean, funny and unforgettable! He has performed throughout the US as well as Italy, Oxford England, Thailand and Bali. His magic and message are universal: we are all capable of so much more if we only open our minds!

You'll Learn:

- Three secrets to better customer service
- Techniques to read your clients' minds
- How to solve problems more effectively
- Five easy ways to supercharge your intuition

Mark's training sessions on mind development and creative problem solving are favored by executives, managers and sales staff nationwide.

As a keynote speaker and entertainer, Mark proves that anyone can tap their natural abilities to create amazing results. Join the dozens of companies and thousands of participants who know that no matter what the challenge, Anything Is Possible!
